# codeblock-background

---

A codeblock usually has a background except when processing within tables.

## Codeblock within a table

<div>Morbi nec aliquet libero, ac condimentum tortor. Ut ultrices orci placerat elit rutrum ullamcorper. Etiam vulputate ante eget turpis iaculis, vel fermentum diam porttitor. Morbi pretium tempor nisi, at convallis sem tincidunt ut. Maecenas vitae purus malesuada, elementum</div>
